

Dear family, friends, and colleagues,

First and foremost, thank you for your donations to my fundraising campaign over the past ten weeks. I am humbled and overwhelmed at how our community has pulled together to make a real impact on the fight against cancer.

**At the time of this email, Sgt. Bobby's Full of Hearts Club Band has raised over \$36,000 USD!**

I would be so honored if you could join me as my guests at this year's Leukemia & Lymphoma Society Los Angeles Man & Woman of the Year Grand Finale Celebration that is taking place virtually **tomorrow, Friday June 18<sup>th</sup> at 6:30PM PT.**

Our fundraising efforts will culminate at this celebration, which will be our *final opportunity* to reach our fundraising goal of \$50,000. Your attendance could end up being the difference that pushes us past the finish line!

Will we see you there?

[Please RSVP here](#) to get the Zoom link. And please put CASEY LEWIS in the section that says "What candidate are you supporting." Can't wait to celebrate with you!

Content Writer - eForms.com

Casey was born and raised in Torrance, CA and attended South Bay and L.A. schools throughout her adolescence. After four years in New York City at NYU, she earned a B.A. in Musicology and began a career in performing arts administration. For about seven years she worked in classical music artist management and concert production until the pandemic forced her into a career shift. She now writes about all kinds of legal stuff for eForms.com, an online database of free legal forms and documents. During the pandemic, she also helped launch and currently oversees operations for a new community South Bay athletics business called South Bay Originals Futsal.

With love, light, and gratitude,
