

South Bay Originals Futsal is a group of friends originating from the South Bay of Los Angeles, CA. We've united to facilitate joy and community development through the game of futsal. We felt the South Bay needed a high-quality futsal organization designed for people over profit.

We provide a unique and affordable alternative to existing local futsal and soccer options, at all ages and skill levels. Our services include private training, public pick-up/retas, and a competitive platform for high-level players in the South Bay. Our programs are designed to develop futsal skills and encourage camaraderie among members and visitors alike.

Welcome to SBOG Futsal. We hope to see you soon!
